
Netrack crimper RJ45 8p+6p+AMP cat. 6, pressure control

Product price:

**PLN119.88 tax
included**

Product codes:

Reference: 100-07
EAN13: 5908268775911
UPC: -

Product features:

Height [mm]: 210
Width [mm]: 160
Depth [mm]: 30
Weight [kg]: 0.66
Height of the packed product [mm]: 290
Width of the packed product [mm]: 120
Depth of the packed product [mm]: 32
Weight of the packed product [kg]: 0.7
Color: silver / blue / black
Type of plug: 8P RJ45
Type of plug: 6P RJ11 RJ12
Type of plug: AMP

Product short description:

Crimping tool for modular plugs - professional tool for crimping RJ 8p, 6p and AMP

plugs

Product description:

Professional multifunctional **tool for crimping modular connectors** - Standard RJ - 6 and 8 pin and AMP plugs (RJ11/RJ12, RJ45, AMP). Parallel front clamps ensure even clamping. High quality and precision of workmanship allows you to work quickly and efficiently. When using good quality connectors, 100% efficiency is guaranteed. In addition, the tool allows you to strip insulation from round and flat wires and cut wires. The graduated lock guarantees proper crimping of the connector, and the special bi-material handles improve work and make it more comfortable and enjoyable.

RJ45 crimper - key features

- stable and durable construction - high precision of workmanship, hardened, chrome-plated steel
- 3 in one - crimper, stripper, cutting pliers
- clamps for 3 types of 6P, 8P and 8P AMP connectors with simultaneous shield clamping. RJ standard (RJ11/RJ12, RJ45, AMP)
- crimps all types of connectors: shielded/unshielded, long/short, through/non-through, AMP
- insulation cutter and stripper for round and flat wires
- ratchet lock that guarantees proper clamping of the connector
- rubberized bi-material handles

Technical parameters of the crimper

- height [mm] *214*
- width [mm] *160*
- depth [mm] *30*
- weight [kg] *0.66*
- crimps 3 types of connectors
- stripper
- chisel

Packaging

- packaging dimensions: 290/120/32mm
- weight in the package: 0.7 kg

Contents of the package:

- *complete multifunctional crimper*

Application of the network cable crimper

The crimping tool is an indispensable tool for installing computer networks. With its help, you can mount RJ type terminals on twisted pair and other cables.
