
Netrack UTP/FTP stripper with notch depth adjustment knob

Product price:

PLN12.99 tax included

Product codes:

Reference: 101-03
EAN13: 5908268772019
UPC: -

Product features:

Height [mm]: 110
Width [mm]: 53
Depth [mm]: 17
Weight [kg]: 0.04
Height of the packed product [mm]: 187
Width of the packed product [mm]: 120
Depth of the packed product [mm]: 20
Weight of the packed product [kg]: 0.06
Color: gray

Product short description:

Stripper , a tool for stripping wires in preparation for instances of connectors or sockets. It can be used for wires of various construction and insulation thickness with diameters ranging from 3 to 9.5 mm

Product description:

The insulation stripper is a tool designed for cutting and stripping insulation from round and flat wires. Insulation from round wires is removed by closing the tool on the wire in the right place and turning it around the axis of the wire. Beforehand, the knife extension should be set according to the thickness of the insulating layer to be cut. A special knife is used to strip the insulation of flat cables.

The tool also has **a cutter for wires of different thicknesses** . The stripper allows you to strip insulation from twisted pair cables of various classes, shielded and unshielded, electric cables, speaker cables, coaxial cables (e.g. H-155, RG59, RG11 and others), flat network cables and similar. Round wires must have a diameter of 3-9.5mm.

Insulation stripper - the most important features

- smooth, precise adjustment of the incision depth
- cable diameter range 3-9.5mm, flat mains cables
- simple, easy-to-use design ensuring reliability and convenient operation
- most often used for all types of twisted-pair cables, electric cables, speaker cables and all kinds of coaxial cables.

Technical parameters of the stripper

- height [mm] *110*
- width [mm] *53*
- depth [mm] *17*
- weight [kg] *0.4*
- round wire stripper
- flat network cable stripper
- chisel

Packaging

- packaging dimensions: 187/120/20mm
- weight in the package: 0.6 kg

Contents of the package

- *complete multifunctional stripper*

Insulation stripper - application

Quick, professional preparation of cables for instances of plugs or sockets.
