
Netrack RJ11/RJ12/RJ45 BNC/UTP/FTP/STP cable tester

Product price:

PLN34.99 tax included

Product codes:

Reference: 103-02

EAN13: 5908268772064

UPC: -

Product features:

Height [mm]: 145

Width [mm]: 100

Depth [mm]: 32

Weight [kg]: 0.152

Height of the packed product [mm]: 154

Width of the packed product [mm]: 110

Depth of the packed product [mm]: 35

Weight of the packed product [kg]: 0.184

Color: gray / black

Detection of incorrect connection: Yes

Short circuit detection: Yes

Break detection: Yes

Measure distance to gap: Not

Locating a Gap with the Probe: Not

Display of the link map: Yes

Cable length measurement: Not

Maximum length to be measured: Not applicable

Tested cables: UTP, STP, BNC, telephone
Storing measurements in memory: Not
Terminators: 1 piece.
Basic Test Speed: 3s / 10s
Wiremap test speed: 3s / 10s
Length / Distance Test Speed: ---
Crosstalk test between pairs - crosstalk: Not

Product short description:

Network tester for basic testing of network connections. Designed for testing connections based on twisted-pair LAN cables, telephone cables and coaxial cables. Especially recommended for computer networks. The set includes a main unit and a terminator to put on at the end of the tested connection.

Product description:

The tester is designed to quickly and efficiently check the correctness of the connection. With this device, faulty connections, short circuits or interruptions can be detected.

Cable tester - the most important features

- detection of incorrect connections,
- short-circuit detection,
- gap detection
- connection map - by observing the signaling of the connection sequence, you can read the connection map,
- two modes of full test run: fast - 3s, slow - 10s
- tests cables: UTP, STP, BNC, coaxial, telephone,

Technical parameters of the tester Principal Tester

- height [mm] *112*
- width [mm] *65*
- depth [mm] *28*
- weight [kg] *0.081*

terminator

- height [mm] *105*
- width [mm] *36*

-
- depth [mm] 28
 - weight [kg] 0.04

The whole set

- height [mm] 145
- width [mm] 100
- depth [mm] 32
- weight [kg] 0.152

Packaging

- packaging dimensions: 154/110/35mm
- weight in the package: 0.184 kg

Contents of the package

- master tester
- terminator
- case

ATTENTION!! a 9V battery is required to operate the device. The set does not contain batteries

Network cable tester application

Network cable tester necessary for installers. It allows you to quickly check the connection made and diagnose the error. It speeds up work and minimizes errors.
