# Netrack server cabinet RACK 19" 42U/800x1000mm, ASSEMBLED, glass door, gray

**Product price:**

PLN2,434.17 tax included

**Product codes:**

Reference: 019-420-810-011-Z
EAN13: 5908268779643
UPC: -

**Product features:**

Basic dimensions: 19 "/ 42U
Load capacity: 800 [kg]
Front door: glass with a handle and a lock
Rear: full steel with a lock
Height [mm]: 2044
Width [mm]: 800
Depth [mm]: 1000
Weight [kg]: 120
Height of the packed product [mm]: 2189
Width of the packed product [mm]: 805
Depth of the packed product [mm]: 1005
Weight of the packed product [kg]: 135
Rack rails: 4
Rack rail position adjustment: any position to the full extent
Product assembled / requires assembly: assembled product, ready for installation,

packed on a pallet
Possibility to install fans: ventilation panel for the main cabinet 1000, 19 "ventilation panel
Color: gray
Color code: RAL 7035
Wardrobe line: SERVER-Line

**Product short description:**

Standing Rack Server Cabinet is made in the 19” Rack system, which has been a standard for many years in the design and installation of LAN computer networks, alarm systems, access control and professional Audio-Video systems. Standing 19" rack server cabinets ensure convenient installation of devices, administration, reconstruction or expansion of systems. Wide configuration possibilities make it possible to ensure appropriate parameters of ventilation, power supply and convenient access to devices. 19" rack system for many years it has been the only standard that provides such a wide range of possibilities.

**Product description:**

The following are most often installed in 19" rack cabinets:

- patch panels, i.e. terminations of LAN networks, monitoring, alarms or fiber optics
- power supply systems, power strips, protections ensuring appropriate power parameters for devices mounted in a 19” rack cabinet
- emergency power supply, UPS
- ventilation systems ensuring proper working conditions for devices
- servers and computers
- switches, routers, modems, converters for copper and fiber LAN networks
- NVR DVR recorders and others
- audio-video devices

The most important features of server cabinets:

- stable and durable construction
- quick installation, the floor standing rack is delivered fully assembled, secured on a pallet
- ventilation openings in the roof and floor for gravity ventilation and for optional installation of fans with or without a thermostat
- additional perforation on the door
- removable side panels for convenient access to devices
- possibility of installing optional locks in the side panels. (119-000-000-003)
- 4 Rack rails for safe mounting of larger devices and the possibility of mounting smaller devices in 2 planes. E.g. a power panel behind a switch or patch panel
- wide range of 19" rack rail position adjustment
- a wide selection of carefully selected and matched accessories
- the possibility of mounting the door as right or left
- door opening 220°°
- front door made of tempered glass or perforated with a very good perforation coefficient. Other configuration is possible
- solid, steel or perforated rear doors with a very good perforation coefficient. Other configuration is possible
- openings in the floor and roof for cable entry
- front and rear door lock
- side panel lock - optional (119-000-000-003)
- the possibility of mounting plinths - optional

Execution:

- Cold rolled steel sheet
- frame sheet thickness: 1.5 [mm]
- side panel sheet thickness: 1.2 [mm]
-

- glass thickness: 5 [mm]

Technical parameters:

- load capacity: 800 kg
- front door: glass with a handle and a lock
- rear door: full steel with a lock
- grey colour
- color code: RAL 7035
- basic dimensions 19”/42U
- height 2044 [mm]
- width 800 [mm]
- depth 1000 [mm]
- Weight: 120 kg
- Standards: Compliant with ANSI/EIA RS-310-D, DIN41491 PART1, IEC297-2, DIN41494 PART7, GB/T3047.2-92
- Compatibility with standards: ETSI metric and international 19”

Contents of the package:

- folded wardrobe packed on a pallet (it is possible to order the wardrobe in parts)
- rack screws for mounting elements in the cabinet 25 sets
- wheels with locks - 4 pcs
- durable, adjustable legs - 4 pcs
- screws for assembly
- height of the packed product: 2189 [mm]
- width of the packed product: 805 [mm]
- depth of packed product: 1005 [mm]

- weight of the packed product: 135 [kg]

## Product details

- Netrack brand
- EAN 5908268779643
- Index 019-420-810-011-Z

## Accessories available:

- roof ventilation panel
- roof ventilation panel with thermostat
- plinth
- shelf
- 19" shelves
- digital thermostat 19"
- 19" 2W ventilation panel with thermostat
- 19" 4W ventilation panel with thermostat
- side door lock
- PDU power strips
- rack screws
- organizers
