Color code: RAL 7035

Product short description:

Shelves for Rack cabinets - basic equipment for every Rack cabinet . Allows you to mount any equipment and equipment in a cabinet equipped with 10 or 19" Rack rails

Product description:

Rack shelf - product description

Rack cabinet shelves are most often used when we want to install devices not adapted to be mounted on 10 or 19" Rack rails. Most often these are: computers/servers, converters, recorders or analyzers. Devices can be placed on shelves, fixed with bands or screws using perforated holes. **Netrack shelves** have a stable structure and are made of thick, durable sheet metal. This guarantees durability even under heavy loads.

Rack shelves - execution

- bent steel plate
- sheet thickness: 1.8 [mm]
- thermally cured powder coating

Shelves for Rack cabinets - technical parameters
