Product assembled / requires assembly: product ready for installation

Standard Rack: 19 "

Height U: 1U

Sheet thickness:

Amount of rack screws needed: 4

Color: black

Color code: RAL 9005

Product short description:

Product description:

Grille 19" 1U

A blanking panel made of high-quality steel, recommended for Rack Cabinets

It is mainly used to mask the free space between already installed devices, but it also works great as a mounting plate that allows you to install devices incompatible with the 19" rack standard inside the cabinet.

The grille is attached to the vertical rack rails
