Product description:

RACK 19" 2U gray drawer

The drawer is recommended for a 19" Rack Cabinet with a minimum depth of 350mm.

Perfect for storing important documents or equipment - secured with a lock (2 keys included).

High-quality powder-coated steel from which the drawer is made ensures its durability and stability of the structure.

Metal guides.

Convenience and lightness of use are ensured by metal guides for removing the drawer.

Knock-out cable gland!

The drawer has a break-out cable gland at the back, a very practical solution for leading cables out of the devices inside.

Easy assembly.

Drawer fixed in 6 points to vertical rack rails.
