# Netrack crimper RJ45 8p+6p+4p, pressure control

**Product price:**

**PLN59.99 tax included**

**Product codes:**

Reference: 100-04

EAN13: 5908268771968

UPC: -

## Product features:

Height [mm]: 204

Width [mm]: 137

Depth [mm]: 23

Weight [kg]: 0.62

Height of the packed product [mm]: 290

Width of the packed product [mm]: 122

Depth of the packed product [mm]: 30

Weight of the packed product [kg]: 0.56

Color: orange / black

Type of plug: 8P RJ45

Type of plug: 6P RJ11 RJ12

Type of plug: 4P RJ9

## Product short description:

Crimping tool for modular plugs - professional tool for crimping RJ 8p, 6p, 4p plugs

---

## Product description:

Professional multifunctional **tool for crimping modular connectors** - Standard RJ - 4, 6 and 8 pin (RJ9, RJ11/RJ12, RJ45). Parallel front clamps ensure even clamping. High quality and precision of workmanship allows you to work quickly and efficiently. When using good quality connectors, 100% efficiency is guaranteed. In addition, the tool allows you to strip insulation from round and flat wires and cut wires. The graduated lock guarantees proper crimping of the connector, and specially profiled handles improve work and make it more comfortable and enjoyable.

### RJ45 crimper - key features

- stable and durable construction - high precision of workmanship, hardened, varnished steel
- 3 in one - crimper, stripper, cutting pliers
- terminals for 3 types of connectors 4p, 6p and 8p. Standard RJ (RJ9, RJ11/RJ12, RJ45)
- crimps all types of connectors: shielded/unshielded, long/short, through/non-through
- insulation cutter and stripper for round and flat wires
- ratchet lock that guarantees proper clamping of the connector
- ergonomic handles

### Technical parameters of the crimper

- height [mm] 204
- width [mm] 137
- depth [mm] 23
- weight [kg] 0.62
- crimps 3 types of connectors
- stripper
- chisel

### Packaging

- packaging dimensions: 290/122/30mm
- weight in the package: 0.56 kg

### Contents of the package:

- *complete multifunctional crimper*

### Application of the network cable crimper

---

**The crimping tool** is an indispensable tool for installing computer networks. With its help, you can mount RJ type terminals on twisted pair and other cables.
